No. A.2.299/47 dated 25th September 1947.

Sir,

Sub: Establishment- Agriculture- Upper subordinate- Fixation of higher starting pay for candidates possessing higher qualifications- Proposals.
Ref: Government Memorandum No.45456 A1/47-3 dated 11.7.47

I furnish below particulars of the two courses of I.D.D and I.A.R.I.

(i) I.D.D. Indian Dairy Diploma Course at Indian Dairy Institute Bangalore.

Diploma:- I.D.D or (Indian Dairy ~~Dairy~~ Diploma)

Basic Qualification:- S.S.L.C

Course:- Two years, Instruction in fundamental sciences including Agriculture, Dairying and Dairy Husbandry.

Eligibility:- Eligible for general posts in Agriculture Veterinary and Dairy Departments.

2. I.A.R.I. :- Post -graduate course at the Indian Agricultural Research Institute, New Delhi

Basic Qualification:- B.Sc (Ag) or B.S.c

Course:- Two years- A period of research and advanced study and instruction in particular branches of Agricultural Science viz., Plant Breeding Entemology etc.,

Eligibility:- Eligible for higher post in the Agricultural Departments.

3. The I.D.D is not equivalent to the B.Sc (Ag) qualification.

The I.A.R.I. is only awarded to graduates after a research course for 2 years.

The A.I.D.I. is a similar post-graduate course in India and particulars are furnished below:-

Diploma:- Associate ship of the Indian Dairy Institute (A.I.D.I)

Basic Qualification:- B.Sc(Ag) Degree or Veterinary diploma or Degree or Indian Dairy Diploma.

Course:- This is an advanced course for graduates in Agriculture or Veterinary Science who have already basic knowledge of Dairying in Dairying and Dairy Husbandry.

Duration:- 1 year 3 months. A period of Research on Specific Problems and advance instruction and study in Dairy Science.

Eligibility:- Eligible for higher posts in the Agricultural and Veterinary Departments.

4. I am not in favour of starting any candidate on a higher Starting salary in the upper subordinate cadre in this Department for the mere reason that he has got a M.Sc. degree; B.A., or B.Sc., and B.Sc (Ag) or B.Sc(Ag) and a diploma. Exception may be made in the case of Ph.D or a D.Sc who has done outstanding work if such a person joins the Department as an UPPER Subordinate.

5. As a general rule it seems to me to be undesirable to start some men on a higher salary when the main qualification required for entrance into the upper subordinate cadre of this Department is the B.Sc (Ag) degree of the Madras and (hereafter) of the Andhra University.
